About Us:

SAF was founded in 2009 to distribute the internationally known brand, Tarkett. SAF partners with the design community to provide the ultimate in flooring solutions.

"A great company is about great people-entrepreneurial and agile teams focusing on customer needs, profitable growth and building a better tomorrow."
- Michel Giannuzzi, CEO of Tarkett

SAF is committed to delivering an outstanding customer experience through its network of professional account managers. The company is headquartered in Kent, WA and covers a broad geographic region in the north and western half of the country.

"We work with SAF because we trust that they will deliver the products, expertise and experience our commercial customers demand."
- Resource Librarian,
Architectural Firm
